Summary

I thrive on finding solutions to complex problems through critical thinking and diligent research. Whether it's diving into code or exploring new technologies, I'm passionate about continuous learning and growth.

My journey began during my Fellowship at Andhra Pradesh State Skill Development Corporation (APSSDC), where I honed my skills and contributed to impactful projects.

I hold a Bachelor's degree in Computer Science from R.V.R. & J.C. College of Engineering and a Diploma in Computer Engineering from AANM&VVRSR Polytechnic.

Connect with me on LinkedIn to explore opportunities, share insights, and collaborate on exciting projects! Let's make meaningful connections.
